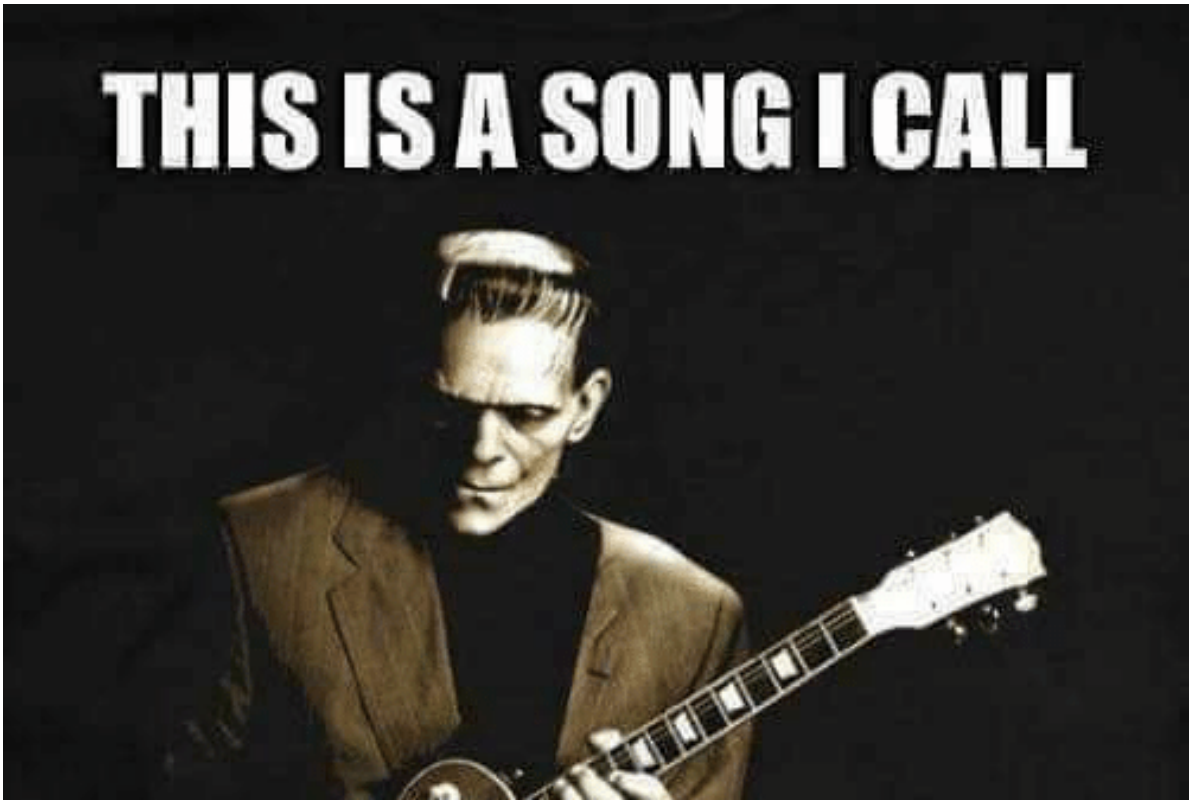
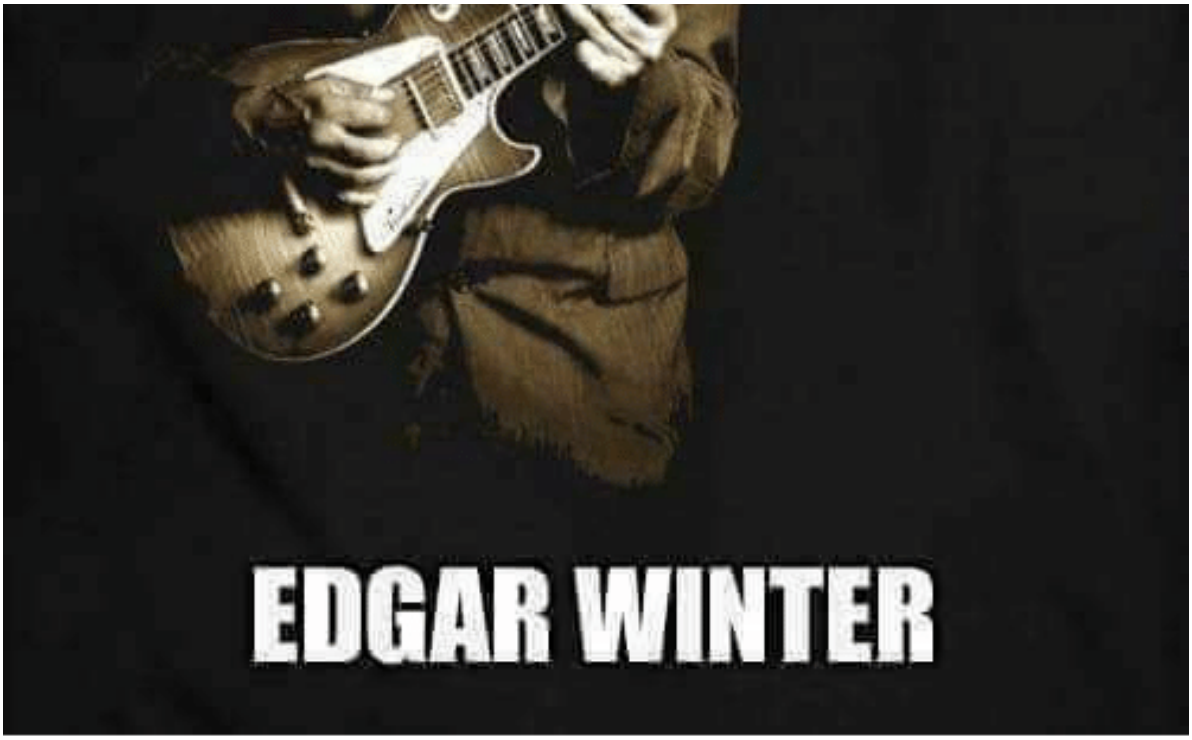
At my funeral, take the bouquet off my coffin and throw it to see who's next.

MÖRNING MEME





A monster of rock

TODAY IN HEADBÄNGER HISTORY

March 13, 2006 – **Black Sabbath**, **Lynyrd Skynyrd** and **The Sex Pistols** are inducted into the Rock and Roll Hall of Fame. The Sex Pistols refuse to attend the ceremony, calling the institution “urine in wine” and add, “We’re not your monkeys, we’re not coming. You’re not paying attention”. Metallica inducts Sabbath and performs “Hole in the Sky” and “Iron Man”. Tony Iommi almost isn’t able to take his award back to England because airport security says it could be used as a weapon.

March 13, 1988 – **Bob Seger** receives a star on the Hollywood Walk of Fame.

March 13, 2003 – The surviving members of **MC5** perform at the 100 Club in London with

special guests Ian Astbury of The Cult and Lemmy of Motorhead.

March 13, 1971 – **Brewer and Shipley** enter the US singles chart with “One Toke Over The Line”. The song, featuring The Grateful Dead’s Jerry Garcia on steel guitar, climbs to #10 on the chart, despite being banned by many stations for its drug references. Brewer and Shipley maintained that the word “toke” meant “token” as in ticket, hence the line “waitin’ downtown at the railway station, one toke over the line.” Yeah sure…toke this!

HAPPY BIRTHDAY TO:

March 13, 1960 – **Adam Clayton**, bass (U2)

March 13, 1973 – **David Draiman**, vocals (Disturbed)
